

March 20, 2020

**TO ALL OF OUR AMAZING CUSTOMERS
AND WEDDING CLIENTS,**

Thank you for your loyalty to SugarBakers and for giving us the opportunity to be a part of your Special Celebrations! We truly enjoy being a part of your Birthdays, Weddings, Anniversaries, Graduations and many memorable times spent with family and friends.

During these unprecedented times, we wish everyone well and to be safe. With that in mind, we will be acting in accordance with the guidelines established by the State of Maryland for social distancing and the gathering of groups.

We would like to let you know that while we are still taking appointments for wedding consultations, we will not be taking orders at our retail store. Due to the mandate of the State of Maryland and for the safety of all, we will temporarily close the retail store for 2 weeks, effective Monday March 23rd.

To make an appointment for a wedding cake consultation, please book your appointment online at our website or email weddings@sugarbakerscakes.com with any questions, changes or postponements. We will be in touch with you to confirm your appointment.

We look forward to making fabulous cakes for all of our customers in the near future. Be Safe – Be Kind – See You Soon!

The SugarBakers Team
